LA LIBYE SACRIFIEE POUR LES ELECTIONS PRESIDENTIELLES AMERICAINES:

A l'approche des élections présidentielles aux Etats-Unis, les politiciens américains cherchent à tout prix à recueillir le maximum de voix notamment auprès des Juifs, très nombreux aux Etats-Unis.

Pour y parvenir, ces mêmes politiciens cherchent un bouc-émissaire devant être sacrifié. Actuellement, ils ont choisi la Libye comme cible pour plusieurs raisons :

- Il existe en Europe des journaux qui ont été manipulés par des ennemis de la Paix pour qu'ils s'attaquent à la Libye pour une période de 20 ans.

— l'extrémisme des Juifs qui prennent la Libye comme ennemi numéro un pour avoir manifesté son soutien aux Palestiniens afin de libérer leur patrie et les territoires occupés par la force par Israël.

— La Libye est prise comme cible pour avoir pris les devants pour condamner l'Etat hébreu qui occupe illégalement les territoires arabes. Il y a d'autres raisons qui font que les Etats-Unis d'Amérique s'époumonent pour détruire complétement la Libye dans les plus brefs délais :

— Les USA savent très bien que leurs intérêts chez les pays arabes pourraient diminuer considérablement dans les jours à venir. La Libye a en effet déjà commencé à éveiller les pays arabes pour qu'ils protègent leur patrimoine pour qu'il ne soit pas pillé vers l'Occident.

— Parce que la Libye éveille constamment les pays musulmans et d'autres pays africains encore en voie de développement.

— Parce que la Libye se bat pour que les arabes aient une indépendance complète et constituent une et une seule nation.

— Parce que la Libye est un pays qui lutte pour que les pays africains aient une auto-suffisance alimentaire.

Pour toutes ces raisons évoquées ci-haut, la C.I.A. (agence de renseignement américain) en connivence avec ses satellites européens ont monté de toute pièce un acte d'attentat meurtrier. C'est ainsi qu'ils impuntent à la Libye l'accdent d'un avion américain, survenu en 1988.

Rappelons que lorsque les Etats-Unis avaient bombardé la Libye en 1986 prétextant qu'elle avait trempé dans l'attentat de Berlin, les Etats-Unis affirmaient également qu'ils luttaient contre le terrorisme international. Mais il s'est avéré que c'était de la pure injustice. Rappelons également que la prétendue responsabilité dans l'attentat contre l'avion américain avait d'abord été imputée à l'Iran, puis à la Syrie ensuite au Palestiniens. Et voilà qu'après trois ans, c'est le tour de la Libye et dans le seul but de nuire à ce pays et surtout pendant ces périodes de multipartisme auxquel le monde est confronté. Les Etats-Unis font cela sans preuves tangibles et palpables, mais seulement dans le seul objectif de faire de la Libye un bouc-émissaire dans la perspéctive des prochaines éléctions présidentielles aux Etats-Unis.

NGEZE Hassan.

AK'ABAHUTU KASHOBOTSE MU IJORO RYO KU WA 27/1/2011

Dutangiye umwaka wa 2011 Yesu aje ku isi. Ubwo hashize imyaka 20 inyenzi z'abatutsi biyise inkotanyi zifashijwe n'uwari Perezida wa Uganda Yoweri Museveni zigabye ibitero simusiga mu Rwanda. Ibyo bitero byari bigamije kugarura ingoma-ntutsi no kwica icyitwa umuhutu cyose. Nk'uko rero byagendekeye izayibanjirije zo hagati y'1960 n'1967 iyo ntambara yagezeho nayo irahosha nyuma y'imyaka ibiri n'amezi ane itangiye. Icyo gihe ingabo z'u Rwanda zaharwanye inkundura zishobora kumenesha umwanzi ahungira ubudasubiza amaso inyuma aho yaturutse amaze gutakaza abantu n'ibintu byinshi.

Amahanga yo yari akiri mu icuraburindi ryo kudasobanukirwa ibyabaye. Ingabo z'abafaransa n'iz'ababiligi zari zoherejwe kurinda umutekano wa bene wabo zahise zakirwa n'abategetsi bashya barazicurika barazicuranura ntibatume zijya aho zishaka cyangwa zivugana n'ubonetse wese. Abazungu bake bake nibo bari bamaze gusobanukirwa ariko bakabura uko babigeza kuri Leta zabo. Ubundi mbere y'iyo ntambara inyenzi na Guverinoma y'u Burundi bari bifatiye abategetsi b'ibihugu byinshi byashoboraga kugira uruhare muri iyo mirwano bakoresheje amafaranga, abagore n'andi mayere menshi. Inyenzi n'ibyitso byazo biririwaga bakoresha amanama i Burayi, muri Amerika n'ahandi ku isi byumvisha abanyamahanga ko ari imvururu zisanzwe z'abaturage bivumbura ku butegetsi bwariho, ko ari nta gitero na kimwe cyaturutse hanze. Ibinyamakuru byose byari byaraguzwe n'umwanzi kugira ngo nabyo bijye biyobya amarari kandi byandike ibyo bibwiwe n'inyenzi gusa.

Ikinyamakuru «KANGURA» cyari cyarabaye sosiyete gikorera i Paris, Bruxelles Washington, Tokyo, Abidjan, Tripoli, Kinshasa na Kigali nicyo cyonyine cyari kimaze iminsi kiburira ubutegetsi bw'u Rwanda n'abahutu bose ko ibintu bigiye kubacikira. Nk'uko bikunze kuboneka nyine icyo kinyamakuru bahise bacyamagana ngo kirashaka gukurura amacakubiri mu bana b'u Rwanda kandi ubwo ibyo kivuga byose ari ukuri. Ntibyatinze icyakora ba bategetsi na ya mbaga y'abahutu baza kubyumva nyuma bitinze bitagifite igaruriro. Ufite amatwi yumva ajye yumva inzira zikiri nyabagendwa !

AK'ABAHUTU KASHOBOTSE MU IJORO RYO KUWA 27/1/2011

Ibintu rero byagendaga bihinduka vuba na vuba; radiyo ikimara gufatwa uretse ko n'inyenzi zari zizaniye ibyuma kabuhariwe byo kuyisimbura mu gihe bibaye ngombwa, hashyizweho indirimbo zirata ibigwi by'abarwanashyaka ba mbere kugira ngo bajijishe, hakavugwa amakuru yo guhumuriza abaturage no gusingiza ingabo z'igihugu kandi ubwo zitakiriho zasimbuwe n'iz'inyenzi. Ubwo n'ibinyamakuru by'abatutsi byo gukora poropagande byari byariyongereye byunganira Kanguka, Rwanda Rushya, Le Tribun du Peuple, Kiberinka etc.... mu gihe ibivuganira rubanda nyamwinshi byo byari byarafunze keraaa uretse Kangura yari ikihagarariye bwuma.

Igihugu cyose cyari umunuko w'intumbi z'abahutu bagendaga batikizwa. Kuko kuva ku munsi wa mbere w'igitero muri buri selire hari hanyanyagijwemo abasirikare b'inyenzi n'ibyitso byazo by'abatutsi bafite imbunda maze bakaba bashinzwe kwica umuhutu wese naho yaba atazi no gusoma izina rye. Za tingatinga zo gucukura ibyobo byo kurundamo iyo mirambo yose zakoraga amanywa n'ijoro ariko ntizigire aho zikora kubera ko zari nke ugereranije n'ubwinshi bw'abapfuye. Wasangaga rero intumbi ibihumbi n'ibihumbi ziborera ku gasozi, mu mazu, ku mihanda n'ahandi n'ahandi.

Ubwo buri selire, segiteri, komini, perefegitura byari byahawe abayobozi bashya b'abatutsi gusa. Ibigo byose bya gisirikare byategekwaga na ba ofisiye b'abarundi. Leta y'agateganyo yahise itangira imirimo yayo, abahoze mu ya mbere bo bari bamaze kwicwa uretse abatutsi bari bayirimo. Ariko nabo bahawe indi mirimo iciriritse kuko batari bizewe cyane nubwo bari bagize uruhare runini mu gutuma inyenzi zigarurira igihugu. Inzego z'ubucamanza zari zahawe abandi bakuru bazo nabo b'abatutsi gusa. Inama nkuru yo kuzahura igihugu ari nayo urebye yategekaga yari iyobowe n'umwishwa w'uwahoze ari Jenerali Rwigema Freddy umwe ingabo z'u Rwanda zahitanye mu kwakira 1990. Amashyaka yose yari yahagaritswe uretse ay'abatutsi. Inteko ishinga amategeko yahise iseswa na rindi abenshi mu bayihozemo b'abahutu bari barishwe n'inyenzi. Imirimo yose ari muri Leta, muri za ambasade no mu bigo byigenga yari yarahawe abandi bakozi bavanzemo n'abanyamahanga iryaguye bo kuziba icyuho. Buri nzu nziza yose itari iy'umututsi yahitaga yamburwa nyirayo igahabwa uwo yagombaga kugenerwa.

Byose bimaze gutungana, ni ukuvuga igihugu cyaguye mu maboko y'abagiteye n'ibyitso byabo nibwo ubutegetsi bushya buhitishije iri tangazo : *«Banyarwanda, Banyarwandakazi, mwari mumaze imyaka mirongo itanu ku ngoyi z'inkozi z'ibibi n'inkoramaraso z'abiyitaga abahutu, zabicaga urubozo, zikabadindiza muri byose. None nimwishime, mukome amashyi, muvuze impundu kuko umwanzi wanyu atazongera kurangwa ukundu kuri ubu butaka bwa ba so na ba sogokuru; twiyemeje rwose kumubakiza tutazuyaza. Kuva mu 1960 kugeza uyu munsi w'agakiza twarabarwaniriye ndetse abenshi bo mu miryango yanyu bahamenera amaraso; ariko nta kundi byari kugenda kuko twari tuzi ko igihe kizagera tugatsinda. Abari baciye akenge muri mwe ku itariki ya 1/10/1990 muribuka ukuntu urugamba rwaremye rukabura gica ndetse tukarutsinda kuko ibyinshi mu byo twashakaga twabigezeho. Icyo gihe twahatsinze ibitego bidateze kwibagirana mu mateka y'u Rwanda. Ni nayo mpamvu guhera uyu mwaka iyo tariki ya 1/10 izajya yizihizwa kimwe n'iya 27/1. Mukomere icyakora ku muheto kuko uwo mwanzi urangwa n'ubugome ashobora kwongera kubyutsa umusaya kuko umutwe wo twawujanjaguye. Mu minsi ya vuba muzihitiramo abayobozi mu nzego zose z'ubutegetsi n'iza politiki.*

Mukomere ku bumwe bwanyu, muharanire amahoro hagati yanyu ari nabyo nkingi z'amajyambere n'imibereho myiza y'imiryango yanyu. Murakarama !» Iryo tangazo ryasomwaga buri saha kumara ibyumweru bibiri byose.

Iminsi yarashize indi irataha, bamwe mu bahutu bake bashoboye guhunga batangira kumvisha amahanga amarorerwa mu Rwanda n'inyenzi zari zimaze gufata ubutegetsi bafashijwe na cya kinyamakuru Kangura ariko biba nk'ibyo kumoka kw'imbwa gusa kuko aho bageragezaga gukandira hose babateraga utwatsi ngo barabeshya kubera ko ahantu hose inyenzi n'ibyitso byazo na Leta y'u Burundi babaga bahabatanze. Ntibyabujije icyakora abo bahutu kujya bandika, bavugira ku ma radiyo no kuri za televiziyo zo hanze, basobanura ibyari bimaze kubera mu Rwanda ndetse bashyiraho n'umutwe w'ingabo ukorana n'uw'abahutu b'i Burundi wo kubohoza ibihugu byabo. Ariko uko bateraga agatambwe za nyabusa zabaga zabarabutswe zikabatsembamo abatari bake.

Abategetsi bashya b'abatutsi gusa bihatiye mbere na mbere gusibasiba hose mu mateka y'u Rwanda ibijyana na Revolisiyo y'abahutu yo muri 1959 byose, bashyiraho amategeko abangamira ukwishyira ukizana k'umuhutu waba yaragiriwe akabanga. Abasore b'abahutu babaga bakenewe mu kubakorera imirimo y'ingufu barabakonaga naho bashiki babo bakabagira ingumba; bityo inyoko hutu ikazazimangana buhoro buhoro; ni nabwo buryo bwari bumaze imyaka cumi n'itanu bukoreshwa i Burundi mw'ibanga.

Tariki ya 27 mutarama ya buri mwaka hatangiraga iminsi mikuru yamaraga icyumweru kizima mu byishimontutsi by'akataraboneka. Amasambu yose yera yagabanywe n'imiryango y'abatutsi gusa. Igipande kinini cy'ubutaka giharirwa inka zabo n'amapariki y'inyamaswa. Nta mwana w'umuhutu n'umwe naho yaba ikimanyi muri bake bacitse ku icumu wemererwaga gukandagira imbere y'umuryango w'ishuri, wa Kiliziya cyangwa w'ikigo cya gisirikare.

U Rwanda n'u Burundi byahise bishyiraho umutwe umwe w'ingabo utegekwa na Jenerali w'umurundi yungirijwe n'umukoroneri w'umunyarwanda. Birumvikana nyine ko ari nta muhutu n'uwo kubara inkuru wari ukirangwa muri izo ngabo. Nyamara umwana wese w'umututsi wagezaga ku myaka 16 yoherezwaga mu bigo bya gisirikare kwitoza kurasa mbere yo gukomeza amashuri cyangwa gukora akandi kazi. Mu gihe kitarenze umwaka Repubulika zombi ziyunzemo igihugu kimwe cyitwa «KANYARU» gituwemo n'abanyakanyaru (les kanyarois (es).

HARABAYE NTIHAKABE

Muri Gashyantare 1972, amazi amaze kurenga inkombe ku buryo muri Kaminuza hari hasigaye harangwa n'ubwiganze bw'abanyeshuri bo mu bwoko bw'abatutsi, ni bwo abahutu bemera revolisiyo ya 59 barakaye, amalisti aramanikwa, abahunga barahunga.
Imvuru, zabaye icyo gihe zaranzwe n'uburyarya bw'ubutegetsi bwariho kuko ku mugaragaro berekanye ko bashaka kuzihosha, nyamara bagaca inyuma bakenyegeza umuriro rwihishwa. Ibyo ndetse ni imwe mu ntandaro z'ihirikwa ry'ubwo butegetsi kuko ntacyo bwari bugishoboye mu gihe bwashyigikiraga imyiryane kandi ari bwo bwagombye kugerageza kuyihosha. Baca umugani ngo «Ijoro ribara uwariraye». Uroye uko bifata muri iki gihe, wagirango abatutsi bibagiwe ibyabayeho icyo gihe. Nyamara se kwibagirwa kwa he ko ari ukuzambya isaso ngo barore ko baramuka.
Ku ruhande rw'abahutu bamwe nabo, imyifatire yabo iributsa wa mugani ngo «Itabi ry'i Nduga ni kaburabuza kuko urihinga, rikaguteranya, utarihinga nabwo ukarirara».
Birababaje kubona umunyamakuru nka Musangamfura Sixbert kimwe n'Ishyaka nka MDR na PL bijundika abantu b'ibikurankota bafashe iya mbere muri 1972 bagasubiza umututsi mu mwanya we. Igitangaje cyane ni uko abo bapfa-mutima bashaka kubihererereza ku bo bita «abakiga» nk'aho ari bo bategekaga icyo gihe. Ese ubundi tutagombye kurora abari bagize «comité de salut» tukazirikana gusa icyo bakoze, iyo kidakorwa ubu u Rwanda ruba rugeze he ? Mbibutse ko abatutsi muri Kaminuza icyo gihe barengaga 60%. Naho kwigira inyaryenge, ukirinda kugaragara aho rwakomeye, hashira imyaka n'imyaka ukabona gusodokana akarimi gasize umunyu wishyira aharyoshye ngo «mwa batutsi mwe dore ababasagariye ni bariya bakiga» ni imyifatire iranga abantu b'ibigwari. Dore nk'ubu abahutu bazi gushishoza baravuga iya bahanda bagerageza kubumvisha ko umwanzi yabacengeyemo, mukayavuniramo ibiti ngo aho gutegekwa na Habyarimana muzategekwa na Kagame ! Umunsi ba rudasubira rwakomeye barakaye bagashyiraho «comité du salut» yo kubakura muri iyo mihanda musigaye mujijishirizamo ab'injiji munadukingiriza umwanzi ngo tutamenya aho ageze, nyuma ntimuzongere gusodokana ka karimi kanyu kuko tumaze kubamenya : mu bahutu muri abahutu, mu batutsi muri MDR na PL, mu mahanga muri Inkotanyi,... muri ba kaburabuza nk'itabi ry'i Nduga. Imyifatire yanyu kandi ntitangaje kuko mwiganjemo imvange nka Twagiramungu, zitwa abahutu kw'izina rya ba se, naho ingiro yabo igahora igamije inyungu z'imiryango ya ba nyina. Ariko ubundi Twagiramungu apfana iki na Sekuru kwa Nyina. Aho azi se ? Niyo waba witwa Kayibanda nta kiremwa-muntu gishobora guharanira inyungu za se ngo cyibagirwe iza Sebukwe. Ibyo kandi byagaragajwe n'imisaranganyirize mibi y'imyanya mu mashuri byaranze Repubulika ya mbere, kimwe n'imyifatire mibi ya Twagiramungu yambariye gutoza ishyaka yihaye

kuyobora (niba atari kuriyobya) akiyorosa ibinoti by'umwanzi ukorera muri PL.

Hari na ba Mugenzi bishuka ngo ishyaka PL si iry'inkotanyi, ngo kuko ubwabo barishinze inkotanyi nka Kameya, Mbanda... zikazamo nyuma. Mbega ubuswa ! Umwana w'igitambambuga we ayobewe ko mu mayeri yabo yo kwigarurira ubutegetsi, abatutsi buri gihe birinda kugira icyo bahindura kubyariho, ahubwo babyifashisha mu gushimangira ubutegetsi baba bamaze kwigarurira ?

Mu mateka y'u Rwanda niko buri gihe byagiye bigenda. Mu ikubitiro rya mbere bakiva muri ABISINIYA, basanze mu Rwanda hari abami b'abahutu bafite ibihugu batwara, ingoma, n'abiru. Abatutsi nta kindi bakoze uretse gusimbura abo bami ku ntebe zabo, abiru bakomeje akazi kabo, na za ngoma zihinduka iz'abanyiginya.

Kuva muri 1973 Habyarimana amaze kubaha ihumure bararoye bati : «abahutu baracyarakaye reka tube twibagije ibyo kubakura ku ntebe zabo, tubanze tubahakweho, tubinjire kugera ku ndunduro y'amahanga aka Cyambara-ntama, hagati aho Habyarimana abe asanasana Repubulika ya kabiri, bityo igihe ni kigera tuzabone tubufate. Habyarimana yari yababereye inararibonye, ntiyatumye babyuririraho ngo basingire ubutegetsi. Umushiru ayobewe iki ? Ko yenda ise yari yaramuvunguriye ku ibanga rya ba sakuruza ryatumye abatutsi batarigeze babasha kwigarurira icyo abaswa basigaye bita akazu k'ingoma-mputu-nshiru. Habyarimana ahubwo yarabahatse biratinda, bibashobeye bitabaza iza Museveni. Ariko se babonaga ko uwo mugabo w'umuhima ashobora gutsinda uwo yaciyeho incuro igihe yamusemberezaga, ubwo yavundagurikaga mu kinani arwana na Obote ? Ibyo byose bimaze kubapfana bibuka ko mu gihe cyabo ba sekuru intsinzi bayibonye mu karere k'igihugu cya Mashira. Bati : «Ubwo Habyarimana atunaniye reka tugane amajyepfo yenda ntituzabura abo duhenda ubwenge». Ntibyatinze, bakigerayo bakizwa impundu nyinshi, baracumbikirwa, bisasira PL biyoronsa MDR. Bukeye bihererana Twagiramungu na Mugenzi bati : «Mudutize aya mashyaka yanyu buracya tujya mu mihanda gutera imidugararo kugeza ubwo tuzahirika igihangange Habyarimana uva mu kazu umututsi yananiwe kwigarurira kugeza ubu. Ngaho rero intambara barayishoje. Ngaho mu mihanda baravuza abagenzi amabuye, barapfumura otobisi babuza abana kujya kwiga, baratukana iby'abashumba, barashotora ingabo z'igihugu ari nako bagerageza kuzisopanya, barateranya amoko n'uturere...

Gatabazi na Ngango bo muri PSD tuziho ubuhanga no kuvugisha ukuri barabiroye bati : «N'ubwo tutumvikana n'ubutegetsi buriho, ntiturageza aho guhirimbana kubusimbuza ubw'inkotanyi». Komeza ubarohe mu myivumbagatanyo mu gihugu nk'uko umwana w'umushiru umuhutu, Bizimungu Pasiteri akuroha ngo muri kumwe we yibereye i Burayi. .

Ibiba muri Kapitali muri iki gihe twese dusanzwe tubizi, kandi niko bisanzwe. Iyo umwanzi acika intege, atararekana, ntaho adapfunda imitwe, nkuhiriye mu nzu. Musomye muri KANGURA No 28 (urup. 7) ibaruwa uwiyise Tirwomwe Patrick yandikiye ababo bari imbere mu gihugu, mwasanga programu yabo ikiriho. Hari aho avuga mu gice cya kabiri cy'iyo baruwa ati : «Tugomba buhoro buhoro kurwanya stability iwacu, tukabona uko tugera ku ntego yacu». Arakomeza ati : «Ayo mashyaka wowe wishisha ni ayacu, rwose azabidufashamo... buri shyaka ryahawe ubutumwa bwaryo. Mugomba kubimenya kandi mu kayinjiramo. Amashiringi (amafaranga) si yo mubuze yo gucengera hose mu bwenge kandi mugakomeza guha urubuga ibinyamateka byanyu (iby'ibyitso by'inkotanyi), bakabitesha umutwe, tukabyigarurira twitonze. Nibiba necessary ubwo tuzitabaza terrorism na banditism bananirwe. N'ubwo muri bake rero, ayo mashyaka yacu muyamenye...»

Ariko Mugenzi warahira ngo iyi baruwa ntiyakugezeho ? Amabwiriza akubiyemo ntuyubahiriza riva ? Shoza intambara mu gihugu rwagati. Uzi uko uzayihosha. Uretse ko urebye nabi...! Harabaye ntihakabe !

Nibyo byadushimisha....

Ibi bihe turimo rero ni ingorabahizi : tugize intambara itwugarije muri Byumba na Ruhengeri, tugize inkubiri y'amashyaka avuka umunsi n'ijoro nayo itoroshye, hari umurundo w'ibinyamakuru (nako ibinyamatiku) byirirwa bitukana gishumba bitiza umwanzi umurindi, bigamije guteranya no gufatanya abaturarwanda imbere mu gihugu cyacu dukunda kugira ngo havuke imvururu, umwiryane, amatiku, inzangano n'ubwumvikane buke, ibyo bikaba byadutera kuryana hagati yacu, cyane cyane ko ibyo bigirwa-binyamakuru bibyutsa ibibazo by'uturere ariko byibanda cyane ku kibazo cy'amoko.

Dore kuva ubu mubimenye : «Ubwumvikane n'ubufatanye byanyu niyo ntwaro idatsimburwa y'ugutsinda kwanyu» (votre unité, votre entente et votre solidarité font l'arme inéfectible de votre victoire). Niba bitabaye ibyo, muravomera mu rutete, muragosorera mu rucaca. Muri make murasiga irangi ku mazi, ntaho muva ntaho mujya. Umwanzi araturya isataburenge, arabazi ariko mwe muri mu icuraburindi; arabiyegereza aseka ariko ku mutima abahema. Murakorana nyamara ariwe mukorera, muganira akuvoma. Iyo mukina we aba ashira.
